The Committee Reports & Financials- Nickie Pylant

No questions were asked after the report was read.

A Motion was made by Mary Sharpe to approve the reports and Jeff Lankford second. The Committee reports and financials were approved.

The \$10,000.00 Give Away was discussed and Nickie explained the cut off and if the tickets were turned in after then, there would not be an incentive. Also, she stated that if a team did not turn in their tickets, that they would be charged for the ones not turned in.

Wrestling was the first team to turn in their money.

Table Decorations were discussed and each sport was instructed to have their table decorations at The Venue by 4 o'clock and if they could not, they needed to bring them to Nickie.

New Business- Nickie Pylant

Wrestling was granted \$2100.00 for a mat and but was unable to pay the additional amount to purchase one. They asked if they could complete the repairs and painting needed in the wrestling room. We agreed to reallocate their money and reimburse them for repairs. They

will be allocated the funds in December or January when we receive the money from Rainbow City.

Cheer will have funds relocated at a later date because the money was not spent for a run through sign.

Baseball was allocated the funds from Wrestling and Cheer for the Etowah County Community Development Grant since they had already purchased the needed windscreen.

Brick Wall Fundraiser will start back up and a 4x8 will be sold for \$100.00 and an 8x8 will be sold for \$125.00

There was a motion to adjourn by Coach Nails and Jeff Lankford second.
